that it is easy to be the beauty of their weilding journey.

But not fan or mantilla could have become her beauty more than the little gray hat and trim shirt waist and Ascot she was wearing. Then she explained:

"I linve Not Beauty."

"Do you see?" she said. "I have not beauty. A hundred girls in Havana they have much more beauty than I. But yet I get 6,000 more votes in Figaro than any of them. That was absurd.

"It was this: I have some sympathy. I have some people who are fond of me, and they buy thousands of copies of Figaro, and cut the coupons, and write in my name.

"That is it—when people are fond of you, and you have them sympathetic, they will call you beautiful.

"How many people does your heart!

"How many people does your heart!

"You must pay attention only to her." said the little new queen. "Ie she not beautiful? Does she not speak the English well?"

She may afford to say these pleasant things." said the ex-queen: "It is not yet live years ago with her!"

The little present-day queen taiked on after that charmingly about her people who lived in New York, while all these wars, and troubles, and annoyances were." and about her grandfather.

"He was Miguel Almado." she said proudly, "most well known in New York, and his house was quite the largest in Havana."

Then some one asked her something, and her imperious little chin went up and up.

"What? I? Go on the stage? Oh!" she said. "my family!"
